Report of Principal and School Improvement Council

Webber Elementary continues in the role of one the finest schools in Richland School District One.

Again, our students progressed academically by earning both a Gold and a Silver Palmetto Award for student achievement. Our Silver award was for the school's Absolute Report Card Rating and the Gold Award was in recognition of the school moving from a Good to an Excellent Report Card Rating in Academic Growth on our 2011-2012 School Report Card. Additionally, as a Title One school, our students ranked #3 in student progress in the district, continuing to rank in the top ten during the past few years.

Our school promoted the process learning of the Science Fair by involving the entire school in the projects this year. As a result of this five year practice, our Science Fair entries won first place in the district and placed in the top 3 in the regional competition. We also have an increasing number of students being selected for the MEGSSS program and again numerous students selected for the Duke TIP program of high achieving students. Not surprisingly, our students continue to live up to our high expectations for each of them.

The parents, PTA, SIC, and our business partnerships continues to be a source of unwavering support for the school. International Paper, Inc. was selected by the State Department of Education as the state's Business Partner of the Year for Webber Elementary School and recognized for their commitment to this community school on June 12, 2013, after just being name the District's Business Partner of the year in 2012. On behalf of our faculty, staff and students, we are indebted to them for their long lasting service and support.

At Webber Elementary School our students are taught that there is good in giving to others in need. Our United Way campaign earned our school recognition as the highest per-capita contributors of the Elementary Schools in Richland One (3rd year of exceeding our goal and being the top contributors). Additionally, our students showed their capacity to give in the March of Dimes campaign by exceeding all other Elementary Schools in the district as well.

There is no greater joy a principal can experience than that of seeing the smiling faces of young children being taught that they are indeed capable of success and are in the midst of realizing they are on their way to becoming the productive citizens that we see in each and every one of them. It remains our vision and mission.

Come, join us in our journey.

Yvonne Hall, SIC Chair

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	97.5
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Webber School school has been designated as a:

- ☒ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☐ Title I School – does not qualify as Reward, Focus or Priority School.
- ☐ Non-Title I School – therefore the designations above are not applicable.
